## HE'S ALIVE!

In my work as a gospel preacher, I have been called upon to conduct many funerals. I have tried to keep accurate records for every individual including date of birth, date of death, and place of burial. Without a great deal of difficulty, I believe I could locate every grave. Why? Because they are all still dead, and I know where they are buried.

But, what about Jesus? John's record says that there was a garden at the place where He was crucified, and in the garden a new tomb. It was there that Joseph and Nicodemus placed the body of Christ. Can the place be identified with certainty today? Is the body of Jesus still there? What would we find if we visited the tomb?•

The exact location of Christ's tomb is unknown. There were no markers or monuments. Even if we visited the precise tomb where the body of Jesus was placed, we would discover it empty. Mary Magdalene had just such an experience. Going to the tomb early Sunday morning, on the third day after His execution, she found the stone rolled away and the tomb empty. She burst into tears because she thought others had stolen his body (John 20:13).

But grave robbers had not taken Him away. Neither His enemies or His disciples had anything to gain by stealing the body. There must be another explanation.

What happened that morning? He arose! Jesus, who had been dead, was alive again. He had conquered death. He had beat the devil. He had triumphed over sin. He would never die again!

There can be no other explanation. Only the resurrection satisfies the facts. Our Savior is alive. Because of Him, death is not the end. He said, "Marvel not at this: for the hour is coming, in the which all that are in the graves shall hear his voice and shall come forth; they that have done good, unto the resurrection of life; and they that have done evil, unto the resurrection of damnation" (John 5:28, 29).

Resurrection is assured. But will it be a resurrection to eternal life or death? That is the question we face each day. The answer is found in our response to Jesus.

Thank God, He is alive!

Roger A. Rush
