Is There Time?

By Colton Ferrell

Time was never on our side and never will be. We go day to day wasting the precious time that we have on worthless pursuits. People are born on a certain and certain time; from that very minute the clock starts ticking. We see ourselves grow older and older, with time not slowing down. What people have discovered over the centuries is that there is a time for everything. The last being a time to die and it will happen to all of us one day.

What we should understand is that when that time comes, will we be ready to meet God? Most are not ready to meet God and will lose the only chance they have to be right. Our time in this life is so precious and should be spent living for God. They chase sinful pursuits that only bring chaos, destruction, and death. It will bring a short period of pleasure, but no one thinks about the long-lasting effects of sin.

In Romans 6:23, it says “For the wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord.” Sin brings no peace, hope, or life, but many still choose this road to go down. They are wasting this precious time God has given them to turn back to him. The only one that can give us eternal life is God! Thankfully, there is still time to turn back to God and make things right.

Are you right with God? Do you pursue him every day? These are questions that we must ponder on and answer. How does one come to Christ? First, we must hear the word (Luke 11:28). Second, we must believe the word (John 3:16). Third, we must repent of our sins (Acts 2:38). Fourth, we must confess our faith in Christ Jesus (Romans 10:9-10). Fifth, we must be baptized for the remission of our sins (Acts 2:38). Finally, we must remain faithful till we take our last breath. Are you ready?
