# Biggest Challenge

By Colton Ferrell

We all have something that is the biggest challenge in our life. I used to struggle with public speaking, and it always terrified me. My first time speaking before a big crowd was terrifying and I was already looking for a way out. My stomach was turning, and my anxiety was firing on all cylinders. Once I got up and started speaking, everything went quiet. I eventually got through the speech, and I felt a huge sigh of relief.

The more I grew and spoke before big crowds, the more I became more comfortable with it. Now, some people face different challenges, and many are bigger than my challenges, but we all face something we struggle with. There is good news though, we now have help with these challenges and can overcome them.

In John 16:33, Christ tells his followers that he has overcome the world and its challenges. For those who come to him and know him, they will be given a peace that is not known in this world. With Christ in our corner, we can overcome the world and the challenges that come for us.
