Idolatry

By Colton Ferrell

Idolatry has been around for centuries, and it will not be going anywhere soon. People have turned everything you can imagine into an idol. Wood, metal, and any other resource was used to create false gods that did nothing for the people. Idolatry is still well alive today and many have fallen into it. Money, jobs, sports, and many other things are the god of this world. It is sickening to think that many are losing their souls for idolatry.

Many do not see it, but those whose eyes are opened see it. As Christians, we must be careful not to fall into this temptation and make sure that we are putting Christ first. In Galatians 5:19-21, we see idolatry named among other sins that will cost us our souls. This is one of many that is considered works of the flesh. I'm not saying that we cannot have money or play any sports, but it cannot take Christ's place.

Parents wonder why their kids decide to walk away from the faith when they go off to college. It is because they showed their kids what was more important. Sports, education, and so on is more important than Christ. If you want your kids to serve Christ and remain faithful, you must put away your idols and serve Christ yourself. Put away your idols and put Christ back at the center of your life.
