# Are you awake?

By Colton Ferrell

Have you ever been woken up by someone and they ask, “Are you awake?” I have and it is annoying because I was having the best sleep of my life. I would always give a mean answer because I was woken up. Spiritually many are asleep, and they think they are having the best time of their life, but sadly they will regret not waking up.

In Romans 13:11, Paul addresses the Christians in Rome because they lived in a society that was asleep spiritually and many who proclaimed to be Christian were asleep as well. Paul tells them to wake up because salvation was nearer than what it was before. Most scholars cannot place their finger on what Paul was indicating here, but we know that today Christ will be back.

He could come back at any time, and we must be prepared spiritually to stand in judgement. If we are found in sin, then it will not be good for us when the verdict is handed down. Are you still asleep or have woken up to the truth? Do not wait, be ready for what is coming so that you will make it to Heaven.
