## HOW TO KNOW GOD

When you want to know about someone, you need to talk to them and learn all you can. By a person's word, you cannot learn much about them, but only by their actions. When people speak, they can deceive many, but when you see their actions, you will see their true colors. I have seen many be deceived by words and they do not pay attention to their actions.

How do we come to know the Lord? We learn about him through his father's words and by his actions. We see Christ heal many in the New Testament and take away their problems. He loved them no matter what they did. He spoke about his love for all of us and proved it by the cross.

In Matthew 27:45-56, we see Christ keep his word and die for all the lost. On that day, he took all our sins upon himself and died, so that we could obtain eternal life. So how do we know God? We must come to believe in him and confess him, but it does not stop there. We must repent of our sins and be baptized for the remission of our sins. One must obedient faith and remain faithful until his final breath.

He should be our everything in this life and nothing should take that spot. There are many who think they know him but are living in sin. 1 John deals with this and says that the one who is in sin and says he know Christ, is a liar. The truth is not in him and is an enemy of God. I pray that you will give your life to Christ this day.
