## *Why Bother?*

Many people will ask the question “why bother going to worship?” They will not ask the same question relating to work, school, or the bar. This question can be applied to other areas, but we should not ask this question. We know what we get from all the other areas, but what do we get when we go to worship? We go to worship because our Lord Jesus Christ went to the cross for us. Christ chose to die on a cross so that we could obtain eternal life one day. We go to worship because it helps us to be encouraged spiritually. In Hebrews 10:24-25, we see that this is the only place where we can be encouraged to do right. We are not to neglect the assembly, but rather be there every time the doors are opened.

“And let us consider one another in order to stir up love and good works, not forsaking the assembling of ourselves together, as is the manner of some, but exhorting one another, and so much the more as you see the Day approaching. Hebrews 10:24-25
