## *The Impossible*

We have seen the impossible made possible. “Then He said, “What is the kingdom of God like? And to what shall I compare it? It is like a mustard seed, which a man took and put in his garden; and it grew and became a large tree, and the birds of the air nested in its branches” (Luke 13:18–19 NKJV). How is it possible that such a small plant and seed would grow to the strength of a tree? Jesus loved to speak in parables or messages that were cast alongside a heavenly message. It is seen in this parable of the mustard seed that in His kingdom, the impossible can be possible. How many marriages headed for divorce were rightened, thanks to the church? The impossible is now made possible. How many families who were cold and hungry were fed because of the church? The impossible is now made possible. How many issues have you encountered in your life, and thanks to the church, you pulled through? With God, all things are possible.
