“...the churches of Christ salute you” (Romans 16:16)

The Beginning Was Perfect

It is always easy when you begin a new job isn't it? I remember my past jobs when I first started and I loved every second of it, but that did not last. As I got more experienced and the longer I was there, the more I saw. The problems got bigger and bigger, I started to resent the job and eventually I had had enough. God created the perfect creation and all was good. When we look at Genesis 1-2, we see that everything He made was perfect, but then man was created. Sin was introduced. God's creation was perfect, but it was ruined because of sin.
