## *Your Judgement!*

There is good judgement to make and a bad judgement. Many want to reference Matthew 7 when others rebuke them for sin, but they are taking it out of context. What Christ is talking about is that we are not to judge if we are committing the same sin. How does one call someone on a sin and they are doing the same thing? It will never work! That is the bad judgement in which we must be careful. We must first take the log out of our eye before we take the speck out of our brother's eye. In John 7, we see that we are not to judge by appearances, but by the right judgement. What is the right judgement? We judge by the word of God. We are called to rebuke those who are in sin and correct them.
