“...the churches of Christ salute you” (Romans 16:16)

Baptism

Many will fight you tooth and nail about if baptism is essential, but they do not pay attention to context. They will say that all you must do is ask God into your heart and you will be saved. People will take Romans 10:10 and show that this proves it, but they do not study the context. If you go on down to verse 14, Paul asks how does one call upon the name of the Lord? Acts 22:15-16 answers that and it is by obeying the gospel.

The next question we must answer, is baptism a work? Many will use Ephesians 2:8-9 to say that we are not saved by works, but by faith. James 2:14-16 says that faith without works is dead faith. So, what works is being spoken by Paul in Ephesians? It is works for merit. According to Colossians 2:12, Baptism is a work of God. It is not a work that we do. Baptism is essential to salvation, but many will continue to reject this idea because they want to do it their way.
