## The Heaviest Burden!

Many remember Ronnie Coleman who at that time had won eight Mr. Olympia titles. He was huge and at one time, the judges said he was too big. How did he get this huge? Steroids and lifting weights. Ronnie could lift heavy, and it showed, but sadly, he now has lost everything because his body is broken. All that weight and drug abuse tore his body to shreds. Why am I talking about this?

Sin can be a heavy burden and can do plenty of damage to an individual. It can hurt both physically, spiritually, and mentally. We see the effects that sin has on our society, and it needs to be stopped. The result of sin is death. In Romans 6:23 it says, “For the wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord.” The heavy weights and drugs that are used in weightlifting will result in one losing their life. For us, sin will cost us everything if we do not lean on Christ.
