Help wanted!

In order to get a garden to grow, there are
some things that need to be done. One must dig
up the ground and get it ready for planting.
Then, we must plant the seed and water it.
Finally, the sun will give it the nutrients it
needs.

For the Church to grow both spiritually
and numerically, we must go forth planting the
Gospel. Paul tells us in 1 Corinthians 3:6, that
he planted, Apollos watered, and God caused
the growth. We must do the work, before
growth can happen.

What have you done to reach out to the lost with the
