Are we here to please God?

When we come to worship, is it about God or about us?

The answer is God, but many do not focus on God when we come. We will never deserve praise or worship, because what have we done? Nothing! So, what God commands of us, we should do.

When we look at the Old Testament, we see that God is specific about how he wants to be worshipped. Just look at the Pentateuch; God told the Israelites how to do the sacrifices his way and how he wanted to be worshipped. When they did not do according to his word, they lost their lives.

Now let us look at the New Testament and see that God has not changed. In Acts 2:42-47, we see how the early church did things. They stuck to what the Apostles taught them which was the words of God. Nowhere do you see the church worshipping the way they wanted to.

Instruments did not come around until three hundred years later after Christ. So why should we use them? There are so many who are turning worship into vain worship. Now is the time to stop and start focusing on God, worshipping him the way he wants to be worshipped.
